Dear Friend and Supporter of Westercon 69,

Oregon Science Fiction Conventions, Inc. is pleased to announce that Westercon 69 will be held in Portland, OR on July 1st - 4th, 2016, at the DoubleTree by Hilton Portland.

The event will include the traditional components of Westercon, including the Art Show, Artists Reception, Dealers Room, Dances, and Panel Discussions, plus a few new items. Programming will have a strong Steampunk theme with the inclusion of GEAR Con, Portland's premiere Steampunk festival. The Convention membership fee will cover most events, excepting only any special events such as writers' workshops, which will be charged separately.

There are several levels of Sponsorship available for you to consider. Please see the next page for details.

The Westercon 69 website (<http://www.Westercon69.org/>) will prominently feature our sponsors. We expect more than 1000 Science Fiction and Fantasy professionals and fans to be in attendance. Guests of Honor include John Scalzi, Theresa Mather, Bobak Ferdowsi ("Mohawk Guy"), Charlie Stross, Alexander James Adams, and David Levine.

So, HERE is the chance for your organization to become a sponsor of this year's Westercon 69! You will gain exposure over a lengthy period of time to a targeted audience – Science Fiction and Fantasy writers, publishers, editors, illustrators, screenwriters, poets, readers and fans.

We thank you in advance for your kind consideration. If you have any questions regarding Sponsorship Packages, please contact Ads and Sponsorships Lead Linnea Thompson at adsales@westercon69.org.

Note about Tax Deductibility of Sponsorships:

Publishers, booksellers, and authors will generally deduct sponsorships as a business expense. In addition, Oregon Science Fiction Conventions, Inc. is a non-profit organization as described in Section 501(c)(3) of the Internal Revenue Code, and donations may be deductible as charitable contributions.
